CLARK COUNTY SCHOOL DISTRICT**

DECLARATION OF THOMAS A. AXTELL

I, Thomas A. Axtell, hereby declare as follows:

1. I am General Manager for Clark County School District ("CCSD"), an applicant for a digital companion channel on Channel 27, Glendale, Nevada, to be associated with television translator K23CJ (File No. BSFDTT-20060630CQO, hereinafter the "Application").

2. I have reviewed the foregoing Joint Request For Approval Of Settlement Agreement, describing an oral agreement between CCSD and Moapa Valley TV Maintenance District ("MVTVM") that resolves the parties' mutual exclusivity in Auction No. 85 through an engineering solution for their respective digital companion channel applications (the "Joint Request"). The Joint Request accurately represents all the terms of the oral agreement.

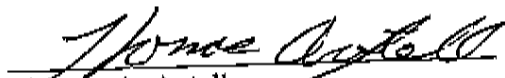

3. The agreement described in the Joint Request is in the public interest for two reasons. First, it conserves Commission resources in conducting an auction and evaluating the mutually exclusive applications of CCSD and MVTVM. Second, it speeds the initiation of two digital television services – one for Glendale, Nevada and one for Overton, etc., Nevada.

4. The Application was not filed for the purpose of reaching or carrying out the foregoing settlement agreement or any other such agreement with MVTVM or any other person or entity.

5. Neither CCSD nor its principals have paid or promised to pay, or received or have been promised to receive, any money or other consideration or reimbursement of expenses except as expressly set forth in the Joint Request.

I declare under penalty of perjury that the foregoing facts are true and correct.

Dated: December 14, 2006
